

HOME CHOICES

for Mom and Dad

FREE Local Housing Placement Agency Serving Santa Barbara County Since 2006

All care homes are not created equal.

Our experienced local consultants can simplify the transition from home to care facility, providing you with knowledge, support, and expertise with consideration of level of care, quality of life, and your budget.

We can save you time and guide you through the placement process, finding the best care for your individual needs.

Our Personalized FREE Placement Services can help finding the best:

- Independent Living Senior Communities
- Assisted Living Facilities
- Residential Care Facilities for the Elderly
- Memory Care Communities
- Continuing Care Communities

Call for your
FREE Assessment

A thorough assessment that includes your medical, social, and financial needs is the first step to finding the best care home. Please contact us for your free assessment and searching for your future care home will be our mission.
